

web page design

CSS grid

color palette

rose gold

#FAAFA

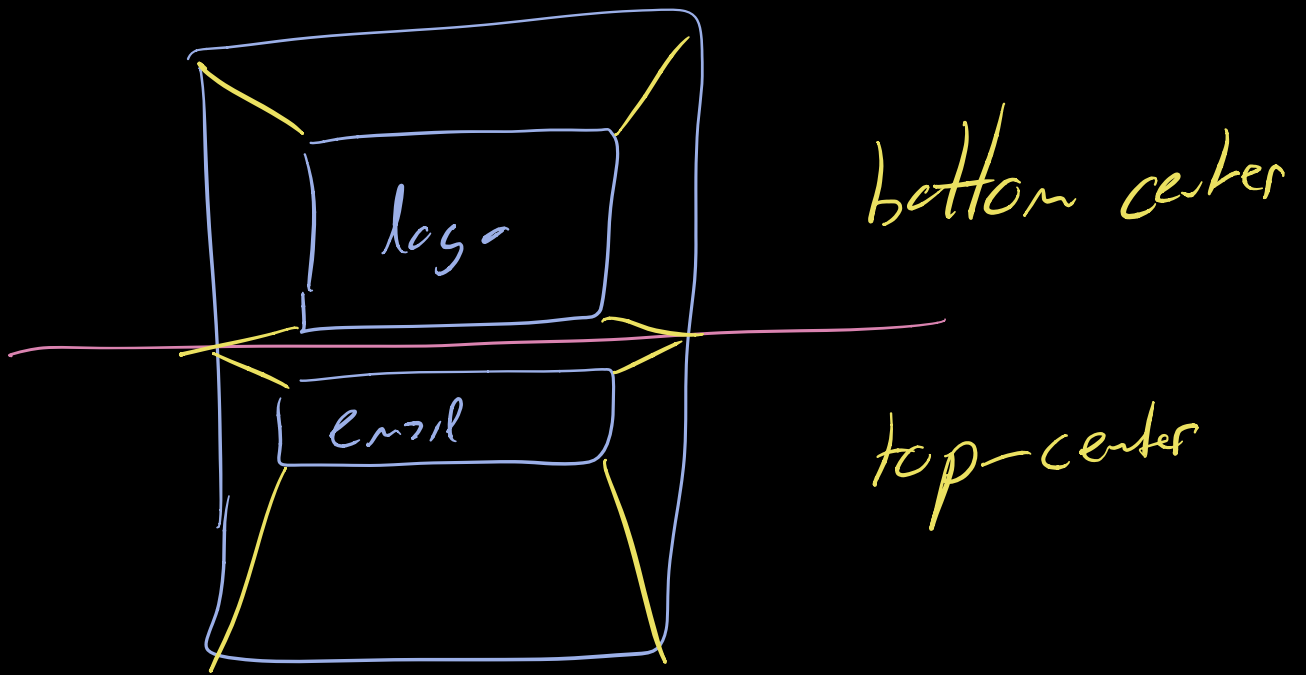

shiny grey

#303333

beige

#F6E1C0

mobile

implementation

• user submits / presses enter

⇓
• http POST

• display

front end

⇓
• validate email

backend

⇓
• generate DB Query

• parse response

⇓
• update DB

⇓

• response DB

Consider

- security

 - └ sessions

 - └ api endpoints

- integration w/ web frameworks
